Mr. William S. Cheatham

Dear Mr. Cheatham:

I want to express our appreciation to you for preparing so quickly the legal opinion on the George Washington Memorial Parkway which you have forwarded to Colonel White under date of 15 July 1955. It has been most helpful, and we have attached it to a statement which the Director is forwarding to the Senate Appropriations Committee.

As you have requested, I am forwarding to you here - with twenty copies of your opinion which we had reproduced for the above purpose.

With kindest regards, I am

Sincerely yours,

Walter L. Pforzheimer
